And Now We Have Got Day Care

Another Home Away From Home

ABOUT US

Since its foundation in 1996, Mount Kibo Nursery & Primary Schools have grown to become one of the most respected and influential co-education School in Tanzania.

The School caters for both day and boarding students. Day scholars are shuttled by School owned busses

The School also enrolls children from the age of 1 to 3 years in our Day Care Services where children are well taken care.

As a private owned school, we are committed to serving our pupils and the wider community by providing an Affordable Quality education.

**MOUNT KIBO
SCHOOLS 2023**

Mount Kibo School is a co-education school that welcomes all pupils of different faiths and races.

Mount Kibo School is a unique inclusive school that shapes pupils to become elite citizens in future.

Our language of communication is English whereby all subjects, except Kiswahili, are taught in English.

I therefore say **“KARIBUNI SANA”**. Come One, Come All and Experience the Difference.

OUR VALUES

As a Nursery and Primary School, we endeavor to make Mount Kibo a community of pupils, staff and parents who support the school's values. The greatest strength of the school lies in the spirit of its humanity, of profound importance are the relationships and experiences which the school nurtures and develops in order to realize fully the potential of those in our care. At Mount Kibo, we are committed to the value and importance of girls and boys learning and working together as they will in their adult lives.

DAY CARE

**MOUNT KIBO
SCHOOLS 2023**

The Mount Kibo Day Care Services are provided to advance the lives of working families. We do this through high caliber adaptable child care, inventive early learning projects and building up a feeling of network and support for our families.

- > Five meals in a day.
- > Ample sleeping time.
- > Kids Care.
- > Children playing facilities.
- > A lot of other fun activities.

MOUNT KIBO STAFF

Any Staff can be the best if his/her working environment is friendly and supportive. Mount Kibo always strives hard to make such conducive environment which result into the best outcome.

MODERN CLASSROOMS

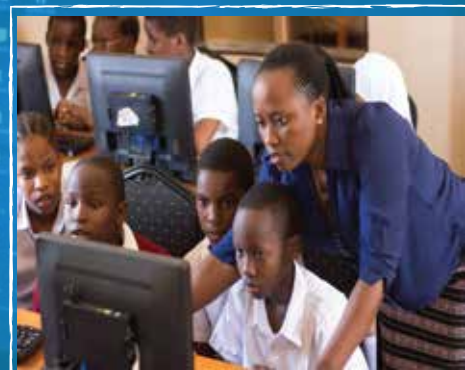

Our classrooms are well ventilated and arranged in way that makes and inspires the child to learn tirelessly.

Pupils sit comfortably on desks which directly emphasize cooperation and provide the best chance for the success of your child.

LABORATORY AND LIBRARY FACILITIES

Our library and computer laboratory are well designed and equipped to enable our pupils comply with global demands.

RELIABLE TRANSPORT FACILITIES

ACADEMIC ACHIEVEMENT

For over twenty five years, our pupils have maintained a consistent and outstanding record of academic achievement. The Overall Positions achieved by grade seven pupils each year are a testimony to the school's high standard of teaching, quality academic programs, outstanding facilities and, above all, the discipline and dedication of Mount Kibo pupils. We seek to develop the talents of every individual to achieve personal goals, enabling each pupil to make a full contribution to his/her community and know that he/she is a valued member of society.
